### **DETAILED ACTION**

1. This office action is in response to the amendment filed on 6/05/01.

#### ***Claim Rejections - 35 USC § 102***

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claim 1 is rejected under 35 U.S.C. 102(b) as being anticipated by Kawano et al. (US 5,432,734)

4. Kawano (e.g. fig. 15 & example 37) shows most aspects of the instant invention including a memory element in an integrated circuit comprising:

- A magnetic storage (1a-3a) having an upper surface and a lower surface;
- A first shielding means 7 having a soft magnetic material 18, positioned above the upper surface of the magnetic storage;
- And a second shielding means 6 having a soft magnetic material 18, positioned below the lower surface of the magnetic storage.

#### ***Allowable Subject Matter***

5. Claims 2-22 are allowed.

#### ***Response to Arguments***

6. Applicant's arguments with respect to claim 1 have been considered but are moot in view of the new ground(s) of rejection.

***Conclusion***

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
